

PhD Position

Interested in a doctoral thesis with the pharmaceutical industry?

We are seeking a highly motivated student for a PhD position in our Boehringer Ingelheim Biberach (Germany) based team within the Pharmaceutical Development Biologicals unit, in collaboration with the Martin-Luther-University Halle-Wittenberg (Prof. Dr. Dariush Hinderberger) related to:

„Photo-oxidation of Proteins“

REQUIREMENTS: Prerequisites are a scientific master degree in e.g., chemistry, biochemistry, biophysics, biotechnology or pharmacy with experiences and knowledge in the field of protein science e.g., analytic, purification, formulation or pharmaceutical technology.

You are interested, need additional information?

Please feel free to contact us and/or send us your application.

Deadline: 31. Mai 2023
